Medical Equipment Device Loan Agreement

[Client Name]

Re: [Name of Equipment]
Serial Number: DHSU00XXXX

The above-described equipment is the property of the Government of Manitoba and it has been loaned for your personal use by the Disability Health Supports Unit.

While you have the equipment in your possession, you are responsible to:

- Maintain the equipment in good condition and report any damage or defects to the Materials Distribution Agency (MDA).
- Comply with all accompanying licenses, agreements and instructions for proper care and use of this equipment.
- Allow trained technicians, wearing photo ID, to enter your home to inspect, repair or adjust the equipment as needed.
- Not remove any identifying tags or labels attached to the equipment.
- Not sell, give away or loan the equipment, as it is the property of the Government of Manitoba.

Repairs and maintenance requests are made by contacting the Materials Distribution Agency at 204-945-8611 or 1-877-632-7867.

If the equipment is lost or deemed misused or abused, you may be responsible to reimburse the Manitoba government for repairs or replacement.

As the equipment has been provided for your personal use, you may use it for as long as you require, even if you are no longer receiving benefits from the Manitoba government. When the equipment is no longer needed, please contact the Materials Distribution Agency to make arrangements for its return.
